RENEWAL FILE

[RENEWAL FILE]

You don’t need an app to stop forgetting renewals.

Start with five columns tonight.

[STEP 01]

The five columns:

01 Name

02 Offer

03 Amount

04 Paid on

05 Next due

[STEP 02]

Next due = paid on + how long they bought.

EXAMPLE

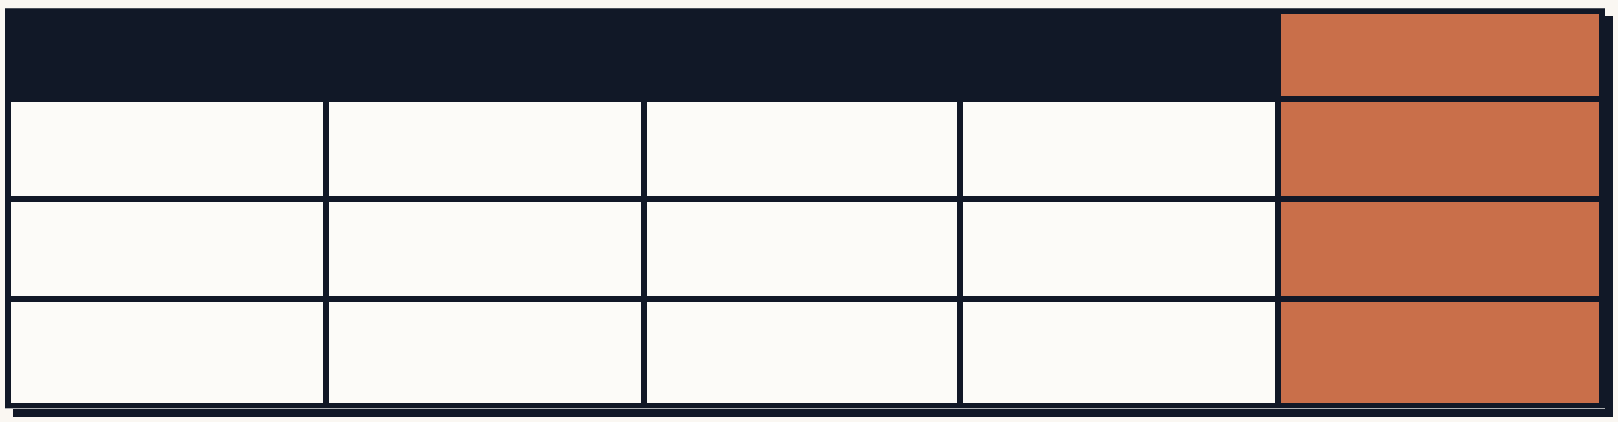

Paid 3 Nov for one month?

Next due is

3 Dec.

[STEP 03]

Every Sunday, read only the last column.

Who’s due in the next 7 days?

[STEP 04]

Message them before the date, not after.

> Hi **[name]**, your **[offer]** renews on **[date]**.
> Want me to send the payment details?

A reminder before reads as service.
A message after reads as chasing.

[TEMPLATE]

The blank template.

Month: _____

Name	Offer	Amount	Paid on	Next due

[END OF FILE]

Save this for Sunday.

One practical tip a week.
